ACCESSIBILITY **STATEMENT**

BPIF TRAINING LIMITED

Version 1.0 | July 2026

ACCESSIBILITY STATEMENT FOR BPIF TRAINING

BPIF Training is committed to ensuring that our website is accessible to as many people as possible, regardless of ability, technology or circumstances.

We want everyone who visits our website to be able to access information and services easily and without unnecessary barriers. We continually review and improve the accessibility of our website to provide an inclusive online experience for all users.

1 OUR COMMITMENT

We aim to:

- ◆ Provide a website that is accessible and easy to use.
- ◆ Ensure content is clear, understandable and available to as many users as possible.
- ◆ Support access through a range of devices, including desktops, tablets and mobile phones.
- ◆ Make reasonable adjustments where required to support individuals accessing our information and services.
- ◆ Continually improve accessibility as technology and standards develop.

2 ACCESSIBILITY FEATURES

We aim for our website to be compatible with commonly used assistive technologies and accessibility features, including:

- | | |
|-------------------------------|------------------------------|
| ◆ Screen readers | ◆ Keyboard-only navigation |
| ◆ Screen magnifiers | ◆ Browser zoom functionality |
| ◆ Speech recognition software | |

We endeavour to ensure that:

- ◆ Text remains readable when enlarged.
- ◆ Pages can be navigated using a keyboard.
- ◆ Content is structured using clear headings.
- ◆ Images include alternative text where appropriate.
- ◆ Colour contrasts are sufficient to support readability.
- ◆ Links are clearly identified and meaningful.

3 ONGOING IMPROVEMENTS

We are continually working to improve the accessibility and usability of our website. This includes reviewing content, functionality and design to ensure that users can access information without unnecessary difficulty.

While we strive to make all areas of our website accessible, some content may not yet fully meet the latest accessibility standards. We are committed to identifying and addressing any issues as part of our ongoing website development.

4 THIRD-PARTY CONTENT

Some parts of our website may contain content provided by third parties, such as embedded videos, maps, forms or links to external websites.

We cannot guarantee the accessibility of third-party content, although we will seek accessible alternatives wherever possible.

5 REPORTING ACCESSIBILITY ISSUES

If you experience difficulty accessing any part of our website, require information in an alternative format, or would like to report an accessibility issue, please contact us.

We welcome feedback and will make every reasonable effort to provide the information you need in an accessible format.
